

Westchester RAP

Letter From The Board

Seasonal color landscaping is installed at all the monuments for the neighborhood. The May board meeting was pushed out a week due to scheduling issues. Beware limited parking may be a concern during the **May 23** meeting, so please walk or cycle over to SJV if possible.

The 2023 summer pool schedule is included in this RAP edition.

We would like to welcome **all** Westchester and NF8 residents to the Pool and Tennis club during regular operating hours **from Saturday May 20 through Wednesday May 31**. Try out this neighborhood affordance and if you like it sign on for the season! Starting in June regular club access for paid members applies.

The pool campus has outdoor WiFi with the password posted by the guard shack. Bring your laptop and come remote work from the pool and get some laps in between meetings.

–The WOC 2023 Board of Trustees

Bloom Where You are Planted

These tips are drawn from *Lone Star Gardening* by Neil Sperry and The River Oaks Garden Club's *A Garden Book for Houston and the Texas Gulf Coast*, 5th edition. The latter book advocates organic gardening practices but has a wealth of information specific to our area that is useful to all.

Cut off the flower stalks from bulbs after their blooms have faded. If they are perennial bulbs, leave the leaves until they begin to turn brown to replenish the bulbs for next year. This is the best month to plant new turf grass. Good choices for areas with plenty of sun are bermuda, St. Augustine, or zoysia. St. Augustine is the best choice for shade but it still requires at least 4 to 6 hours of direct sunlight daily.

If your first application of lawn fertilizer was in March, apply a high-quality all-nitrogen or high-nitrogen fertilizer on your lawn for its second feeding of the year. If planting new shrubs and trees, take note of their mature sizes and how well they will fit in the area you want them to fill. Plan to water them by hand for the first summer since lawn irrigation is not sufficient by itself until their roots are established.

Plant warm-season annuals for color. For sun: moss rose, vinca, penta, angelonia, geranium, marigold, salvia, fan flower, hybrid purslane, cleome, etc. for flowers and purple fountain grass, sun-tolerant coleus, copper plant, ornamental sweet potato, etc. for foliage. For shade: waxleaf begonia, impatiens, nicotiana, etc. for flowers and caladiums and coleus, etc. for foliage. Apply liquid or granular all-nitrogen or high-nitrogen fertilizer as desired to blooming flowers, etc. following label instructions.

In Our Schools

Upcoming Nottingham Elementary Events:

- May 19 - 5th grade Talent Show, Teddy Bear Picnic
- May 23 - Early Release at 12:00
- May 24 - Early Release at 12:00, 5th Grade Celebration at Stratford 6:00 -7:00
- May 25 - Early Release at 12:00 & Last day of school, 5th Grade Celebration Parade to Pool

On May 2nd, parents of NHE students received an email from SBISD with the following information:

This morning, it was reported to us that two parents identified a gun on the ground near our campus property. To confirm, the weapon was not found on school grounds. The SBISD Police were contacted immediately and retrieved the weapon.

While this loose firearm may not have been owned by or related to anyone in Westchester, it was found outside loose on the ground yards from the school campus and during the morning drop off period. Please remember to practice responsible firearm ownership. Remind your children to never touch a firearm and tell a school staff member or trusted adult if they ever see one on the ground like this.

Moms' Club

Save the date for Spring Family Cookout!

It will be a potluck and we will send out a sign up genius closer to the event date. Moms' club will provide hamburgers, brats, and hotdogs. Also fun outdoor games and the Kona snow cone truck will be there.

Hope to see you there!

– Kelly Nolan
